0 Changes

0.1 Changes from version 1.0 (2023) to version 2.0 (2024)

In version 2.0, all spelling and grammar errors that still appeared in version 1.0 have been corrected. In addition, gender-neutral language has been consistently implemented using a colon (: as in „Soldat:innen“). Minor adjustments of formulations were made to selected items to enhance clarity without altering the original meaning of the questions or answers. For a detailed comparison, all questions and answers from both version 1.0 and 2.0 are listed in this document. The following table provides an overview of specific changes that go beyond the adjustments mentioned above.

Items	Explanations
Item 06: military_service	answer option „Freiwilliges Sozialjahr [en: Voluntary Social Year]“ changed to „Freiwilliges soziales Jahr [en: Voluntary Social Year])“.

1.1 Information on survey

Item 01: consent_text

Welcome to a study by the University of Innsbruck in cooperation with the Federal Ministry for European and International Affairs (BMEIA). The study deals with political events as well as your political attitudes.

The survey should take no more than 20 minutes of your time. There are no risks associated with taking part in the study. Participation is voluntary and you can terminate the survey at any time. Questions that you do not want to answer do not have to be answered.

The data collected in this study will be archived in a scientific data archive in accordance with good scientific practice. The processing of your personal data is based on your consent in accordance with Article 6 Paragraph 1 lit a GDPR. If special categories of personal data are affected, your personal data will be processed based on your consent in accordance with Art. 6 Para. 1 lit. a in conjunction with Art. 9 Para. 2 lit. a GDPR.

Notice of revocation: This consent can be revoked at any time with a written notice. The revocation of consent does not affect the lawfulness of the processing carried out based on the consent before its revocation.

Item 02: consent

Consent: Now please press the „Participate“ button below to take part in the study.

By pressing the “Participate”-button . . .
