1. Your details:

Name of Grant holder: (Full name)	
Email address:	
Career level/ type :	○ Senior academic/ researcher ○ Mid – career researcher ○ Early – career researcher ○ PhD Student ○ Research Coordinator ○ Other, please specify:
Department:	
Project title:	
Amount of award:	
Grant start date:	
Grant end date:	

2. Final Project Summary:

Please provide a short summary of the activities, partners, results of the project supported by this Award. To note - this will be used on our website and final report.

3. Project team:

How many key researchers/ other staff were involved? Were there other partners – internal or external?

4. Outputs and audiences:

How many activities/ events you have done for this project?
How many members of the public were engaged/reached through the project?- please also note any data collected on demographics (e.g. age; gender etc.)
Were there any outputs resulting from the project? (films, leaflets, photos…)

5. Outcomes and impacts:

What did you achieve with this project? Did you meet the original aims and objectives of the proposal? Did you discover anything unexpected?

What evaluation methods did you use to gather evidence and indicators or outcomes/impacts?

Outcomes and impacts on the public could include – e.g. – enjoyment, learning, gained skills or changing perceptions.

6. Additional information:

Please attach two or more high quality images/photos that we can use in the final report.
Please also include relevant links and attached files relating to your project.
This could include:

a. *Links to an online resource*
b. *Links to a film of the project*

c. *High quality images/photo of the project "in action" and/or project team*
d. *Quotes from project partners or public participants/audiences*
e. *Links to any internal/external communications/news coverage or social media posts about the project*

7. Reflections:

Has there been any outcomes and impacts on you personally (e.g. gained learning on public engagement)? Did everything work out as planned? What challenges did you face? What worked particularly well? What would you do differently next time?

What new skills, connections or insights did the grant help you develop?

Any thoughts or plans on how to build on the project in some way?

What are you going to do next?

8. Feedback regarding the PE Seed Award:

Is there anything you particularly valued about the way the PE Seed Award was managed or suggestions for improvements?

Any comments - both positive and negative - would be welcome to help us improve this scheme in the further.

9. Consent

Can we publish your comments and feedback? These may be used in publications or reports. All data will be anonymized.

- Yes
- No

10. Financial Summary:

Total Awarded	
Total Expended
