COORDINATE Conference on Data Sharing and Secondary Data Analysis in Child and Youth Wellbeing Research

9th - 10th December 2024

Organiser: CROSSDA - Croatian Social Science Data Archive
Venue: University of Zagreb University Computing Centre, Josipa Marohnića 5, 10000 Zagreb, Croatia

Programme

Monday, 9th December 2024	
11:30 - 12:15	Registration and welcome refreshments
12:15 - 12:25	*Welcome from the conference organisers*
	Welcome from the host, Mr Ivan Marić, Director of the University of Zagreb University Computing Centre
12:25 - 13:45	***COORDINATE project selected activities and results*** *Facilitator: Marijana Glavica*
Project COORDINATE and GUIDE research infrastructure Toni Babarović, *Ivo Pilar Institute, Zagreb, Croatia*	
Harmonising Data on Child Wellbeing - COORDINATE'S Variable Database & Harmonisation Toolbox Insa Bechert, *GESIS, Germany*	
Data sharing challenges and benefits Vedran Halamić, *CROSSDA - Croatian Social Science Data Archive, University of Zagreb Faculty of Humanities and Social Sciences* Ivan Dević, *Ivo Pilar Institute, Zagreb, Croatia*	
Data sharing guidelines for researchers Marijana Glavica, *CROSSDA - Croatian Social Science Data Archive, University of Zagreb Faculty of Humanities and Social Sciences*	
13:45 - 14:00	Short break
14:00 - 15:30	***Importance of research infrastructures and e-infrastructures in providing research data for secondary use*** *Facilitator: Vedran Halamić*
European Social Survey: high-quality open access data measuring public attitudes, beliefs and behaviour Luka Jurković, *University of Zagreb Faculty of Humanities and Social Sciences*	
Exploring Data Potentials: The GGP as a Resource for Comparative Research on Family Dynamics and Population Trends Dario Mustač, *University of Zagreb Faculty of Economics*	
The importance of the SHARE research infrastructure in addressing challenges of population ageing Margareta Fabijančić, *University of Zagreb Faculty of Economics*	
From data to knowledge: Research data management Draženko Celjak, *University of Zagreb University Computing Centre*	
The role of CESSDA ERIC in supporting researchers' data needs Irena Vipavc Brvar, *ADP Slovenian Social Science Data Archives and CESSDA*	

15:30 - 16:00	Coffee break
16:00 - 17:15	***Insights, challenges and opportunities in secondary use of data*** *Facilitator: Lirije Palushi*
Leveraging Secondary Data: Insights and Challenges from the EU Kids Online Project for Scientific Research Luka Stanić, *University of Zagreb, Faculty of Law, Social Work Study Centre*	
Expanding Horizons in Child and Youth Well-being Research through Secondary Data Analysis: New Perspectives and Collaborative Challenges Fabiola Siletti, *University of Bari, Italy*	
~~**Possibilities, Potential and Problems of Research Standardization: A Case of Bringing EVS and ESS Together**~~ ~~Josip Ježovita, *Catholic University of Croatia*~~	
Challenges in Analyzing Imbalanced Groups Using Secondary Data: A Comparative Study of Balancing Techniques Emanuele Koumantakis, *University of Torino, Italy*	

Tuesday, 10th December 2024

9:00 - 10:30	***Advancing child and youth wellbeing through data sharing: mental health, social support, and civic participation*** *Facilitator: Aleksandra Bradić-Martinović*
The CHAMP-Project in Luxembourg (Childhood Adversity and Mental Health Project) Cyril Wealer, *University of Luxembourg*	
Self-transcendence goals, personal growth goals and youth well-being Athanasios Papaioannou, *University of Thessaly, Greece*	
Support and bullying as predictor of mental health of adolescents: Findings form HBSC study, North Macedonia Sheruze Osmani Ballazhi, *University of Tetova, North Macedonia*	
Emotional and behavioural problems in Lithuanian children: data bases of two longitudinal and two cross-sectional studies Roma Jusiene, *Vilnius University, Institute of Psychology*	
Trends and Challenges in Youth Research in Slovakia Katarína Čavojská, Comenius University, Faculty of Education, Department of Social Work	
10:30 - 11:00	Coffee break
11:00 - 12:15	***Data for social welfare research, policy and practice: poverty, social exclusion, social services and benefits, and family support*** *Facilitator: Irena Vipavc Brvar*
EurofamNet – an example of successful research on families, youth and children well-being Branko Bošković, *University of Donja Gorica, Montenegro*	
Public policies supporting families with children across welfare regimes: An empirical assessment of six European countries Martina Pezer, *Institute of Public Finance, Croatia*	
Determinants of child poverty and social exclusion in Bulgaria. Results from a deep dive analysis for the preparation of the European Child Guarantee National Action Plan for Bulgaria Elitsa Dimitrova, *Institute for Population and Human Studies - Bulgarian Academy of Sciences*	
Data needs and possibilities when analyzing child poverty, with reference to North Macedonia Marjan Petreski, *University American College Skopje, North Macedonia*	

12:15 - 13:30	Lunch
13:30 - 15:00	***Developing data sharing infrastructures for social sciences: CESSDA data archives*** *Facilitator: Marijana Glavica*
Attitudes towards data sharing and data perseveration among researchers in North Macedonia: Findings from a recent survey Safet Ballazhi, *Institute for Sociological, Political and Juridical Research, North Macedonia*	
Building Research Infrastructure: The Development of the Data Archive for Social Sciences in Bosnia and Herzegovina within CREDI Amela Kurta, *Centre for Development Evaluation and Social Science Research, Data Archive for Social Sciences in Bosnia and Herzegovina*	
Developing a Research Data Infrastructure in Kosovo: Establishing a Data Archive Ardita Hajra, Lirije Palushi, *Centre for Political Courage, Kosovo*	
Developing Data Centre Serbia for Social Sciences Aleksandra Bradić-Martinović, *Data Centre Serbia for Social Sciences / Institute of Economic Sciences*	
The role of social sciences data archives in the research on child and youth well-being Filippo Accordino, Fabrizio Pecoraro, Daniela Luzi, *Institute for Research on Population and Social Policies, National Research Council (IRPPS-CNR), Rome, Italy; DASSI - Data Archive for Social Sciences in Italy*	
Open Government Data Domingo Scisci, *DASSI - Data Archive for Social Sciences in Italy*	
15:00 - 15:30	Coffee break
15:30 - 16:45	***Registry data and dashboards to support child and youth wellbeing, research, policy, and practice*** *Facilitator: Ardita Hajra*
Comprehensive Health Data Analysis: Primary and Secondary Data Insights for Child Health in the Federation of BiH Šeila Cilović Lagarija, *Institute for Public Health of Federation of Bosnia and Herzegovina* Siniša Skočibušić, *School of Medicine University of Mostar, Bosnia and Herzegovina* Aida Ramić-Čatak, *Faculty of Health Studies, University of Sarajevo, Bosnia and Herzegovina*
